Dear residents,

The CDD Board & Staff continue to monitor local, state and federal communications, guidelines, recommendations and advisories regarding COVID-19/Coronavirus.

As you are likely aware, Pasco County has closed all government facilities and programs in an effort to minimize the risk of contracting the virus, and consistent with federal, state and local guidelines. The CDD has also, made the decision to close all amenity facilities and suspend all programs and activities effective immediately and until further notice.

The CDD will notify you of any change to operations and we will continue to make decisions based on governmental recommendations, which may and have changed rapidly. While we recognize the disruption is less than ideal, the health and safety of CDD residents, guests and on-site staff is of utmost importance. Please continue to monitor this website for further updates.

Thank you for your patience and cooperation as we all work together in this unprecedented time.

Sincerely,

The CDD Board & Staff
